Re: Outdoor Recreation Infrastructure Scheme 2020 – Measure 11  
Application : Ballyhaise Trail

To Whom It may concern.

Cavan County Council are proposing to provide a 6km trail network centred around Ballyhaise Village and Oakwood forest.

On behalf of Ballyhaise Development Association I offer our support and wholehearted approval for this proposal. These works will provide a wonderful amenity for the local community and the wider area. We see this as an important support for physical and mental health in these difficult times.

Yours sincerely.
