Re: Outdoor Recreation Infrastructure Scheme 2021 – Measure 3 Application at Dun an Ri Forest Park

To Whom it may concern,

On behalf of Coillte, I would like to confirm that I support the following proposals under the Outdoor Recreation Infrastructure Scheme 2020 Measure III at Dun an Ri Forest Park. These works will significantly enhance the recreational value of the respective forest and the wider area.

A recently drafted Masterplan for Dun an Ri Forest Park completed for Cavan Co Co/ Coillte has recommended a natural play area at the park and walking route to remove pedestrians from the main access road. Both proposals will significantly enhance the existing facilities on site, while encouraging new visitors to the forest and providing a safer access route from the town of Kingscourt to the park, building on the previously completed trail between the town and the forest.

Yours sincerely,

---
