Cavan County Council, in conjunction with Transport Infrastructure Ireland (TII), invites residents of the local area, members of the public and interested parties to participate in a public consultation on the Options Selection, Study Area and Constraints for the N3 Dublin Road Roundabout Scheme and the N3 Cavan Crystal to Kilmore Roundabout Safety Scheme.

- The Scheme Information and Options Drawings are available to view on the Cavan County Council website at; www.cavancoco.ie/n3-dublin-road-schemes.
- A copy of the scheme information will also be on display in the window of the Johnston Library in Cavan Town for the duration of this Public Consultation period.
- Due to the global Covid-19 pandemic, it is not possible to arrange a formal event in the local area at this time. Instead the above Cavan County Council project webpage contains all the information that would normally be displayed at such an event.

If you would like to make a submission, please do so by **Friday 4th June 2021**. Feedback forms are available on the above website, and you can make submissions by returning your completed feedback form in the following ways:
