- Is the Final Draft of Bailieborough Traffic Flow Report available. This plan was at Draft Status in September 2024, and was expected to be completed in 2025. If this report is not available what is delaying its publication.
- Regarding Traffic Warden Service in Bailieborough Town, I am seeking an update to enquiries made by myself in 2024; has any contact been made to Environmental Section to investigate if bye-laws could or would be passed to allow enforcement of parking.
