Date of erection of site notice[9]: _____

Form No. 2

Directions for completing this notice

1. Delete as appropriate

2. Insert name of the applicant for permission (and not their agent) here

3. Tick as appropriate. In the case of Permission consequent to Outline Permission or Alteration to an Existing Permission, the reference number on the planning register of the relevant Outline Permission or Existing Permission must be included.

4. Insert the location, townland, or postal address and Eircode (if available) of the land or structure to which the application relates

5. Delete as appropriate. Present tense to be used where application is for Retention Permission

6. Insert a brief description of the nature and extent of the development, including:
   a. where the application relates to development consisting of or comprising the provision of houses, the number of houses to be provided. 'Houses' includes buildings designed as 2 or more dwellings or flats, apartments or other dwellings within a building,
   b. where the application relates to the retention of a structure, the nature of the proposed use of the structure and, where appropriate, the period for which it is proposed to retain the structure,
   c. where the application relates to development which would consist of or comprise the carrying out of works to a protected structure or proposed protected structure, an indication of that fact,
   d. where an environmental impact assessment report or Natura impact statement has been prepared in respect of the planning application, an indication of that fact,
   e. where the application relates to development which comprises or is for the purposes of an activity requiring an integrated pollution control licence or a waste licence, an indication of that fact,
   f. where a planning application relates to development consisting of the provision of, or modifications to an establishment within the meaning of the Planning and Development (Major Accident) Regulations 2026, an indication of that fact,
   g. where the application is accompanied by an opinion on unconfirmed details an indication of that fact.

7. Tick as appropriate if the proposed development:
   a. Includes a Large-scale Residential Development (LRD)
   b. Requires an Environmental Impact Assessment (EIAR)
   c. Requires Appropriate Assessment (NIS)
   d. Is located within the Nearshore
   e. Includes Renewable Energy generation
   f. Affects a Protected Structure

8. Insert either the signature of the applicant or the signature and contact address of the person acting on behalf of the applicant

9. Insert the date that the site notice is erected or fixed at the site
