

Community & Voluntary Organisations Grants Scheme 2026

Application Deadline: Friday, 10th April 2026 at 4:00PM

About the scheme

The scheme aims to encourage local groups to implement projects that will result in greater social and economic activity. Projects should enhance the quality of citizens' lives and lead to the sustainability of the local area.

The allocation of funds is at the discretion of the Elected Members and as such will be a “reserved function” of each specific Municipal District area. Members also reserve discretion over the specific proportion of the project costs to be funded. The total level of grant will be based on an annual allocation by Cavan County Council. Grants will not normally exceed €2,000 per project, per year.

What types of projects can be funded?

The following types of projects may qualify for grants (subject to available funding and meeting the conditions below).

- Provision of small-scale amenity projects
- Provision of equipment
- Community led projects involved in heritage and culturally based tourism.
- Assistance to community-based youth facilities, for example, materials etc.
- Tidy Towns/Residents Associations planting/painting projects.

Please ensure that you are familiar with the guidelines before you begin filling in the application.

Every year there is huge interest in this scheme from the many community and voluntary groups across County Cavan.

For this reason, we can only assess application forms that have been fully completed.
